

## Volunteers needed for Dartmoor Way waymarking

What is the Dartmoor Way ?

The Dartmoor Way will be a new 95 mile long distance footpath and cyclepath that encircles Dartmoor. South Devon Ramblers has contributed £4000 from the John Musgrave legacy to help fund this project. The aim is to be completed and waymarked by the end of 2019.

Please see [www.dartmoorway.co.uk](http://www.dartmoorway.co.uk) for more information.

How can I help ?

In mid 2019, there is need for volunteers to waymark the route and do some path clearance. This is a one-off activity for 2019 but may take several days spread out.

Who is organising it all ?

There is a project manager in overall charge of the project however I (Bob W) have volunteered to be the single point of contact within SDR for volunteers.

How to I volunteer, or get more information

Please contact me (Bob W) either by phone 07399 106674, or by email.
